

Police Ask For Vehicle Upkeep

His light flickered off for only an instant, but in that time a pedestrian stepped in front of his automobile. The result—another death due to improper vehicle maintenance!

This incident, pointing out the vital importance of keeping cars in perfect mechanical condition, was related yesterday by Grayling police, in announcing that the department this month is promoting the May theme of "Operation Safety"—a program for reducing traffic injuries and deaths. The program is sponsored by the State Safety Commission and the National Safety Council.

Unsafe automobiles driven by negligent drivers figured in 12 per cent of approximately 3,300 of the nation's fatal traffic accidents in 1949.

"This is tragic when it is remembered that most faulty automobiles could be put in safe working condition in only a few minutes, and at little cost."

Grayling police reported that poorly aimed or defective lights, bad brakes, worn steering mechanisms or worn tires are the chief faults of unsafe automobiles. They urged every motorist in Grayling to have mechanical features checked by a competent mechanic at least twice a year. Rear and stop lights, windshield wipers, muffler, window glass, horn, and rear-view mirror should be inspected likewise, they said.

May is the logical time for checking a car, the police urged. The city's streets and the highways soon will be teeming with pedestrians and drivers taking advantage of fine weather, starting their vacation, or observing Memorial Day.

"The motorist who gets his car in good condition now may be saving some youngster's life—perhaps even his own or some loved member of his family."

Another important reason for keeping one's car mechanically fit, the police pointed out, should be apparent to those who were faced with the problem of keeping the family car running during World War II years. Today's international situation places a premium on the car that is kept in dependable mechanical condition.

The police had this word of advice for every motorist, "Remember, good drivers drive safe cars. So Wise Up . . . Check Up . . . Fix Up!"

VonMACH-MacAULEY

Mrs. Emma VonMach and Mr. John MacAuley, superintendent of Schools of Frederic, were united in marriage in a quiet ceremony at 6 o'clock, Friday evening of May 4th, at Michelson Memorial Church.

The ceremony was attended by Mrs. R. C. Puffer and Mrs. Gene Puffer, Cornwell.

The bride was attired in a pink tulle dress from Florida, white veiled flowered hat and white elbow gloves and a corsage of pink accessories.

Mrs. Gene Cornwall was dressed in a grey suit with a crimson corsage to match accessories. While her mother wore a pink corsage with her grey suit to match her pink accessories.

The bride, formerly a teacher and of Detroit, is now Commander of the Crawford County Cancer Fund.

Mr. MacAuley, formerly of schools of Northern Michigan and resident of Frankfort, on Lake Michigan has recently been associated with schools at Frederic.

After a honeymoon tour of the state, Mr. and Mrs. MacAuley wish it to be known that they will be at home to their friends at 408 Park Street, Grayling.

Hard Reproduction

May Drop Hair

Deer herd reproduction in critically overbrowsed northern lower peninsula range may be reduced as much as 50 percent this spring, a preliminary report on a conservation department deer research project indicates.

Examination of 43 adult does... accidentally killed in car and train collisions or victims of dogs and starvation... showed 38 unborn fawns. This is an average of .87 of a fawn per adult doe as compared to the usual average of 1.5 or more fawns per adult doe.

Examination revealed 18 with no fawns, 16 with one and 11 with two fawns each. The adult females were picked up in poor range in Crawford, Roscommon, Ogemaw, Alcona, Kalkaska and Oscoda counties.

In non-critical northern lower peninsula range, department field men found 25 adult does with a total of 55 fawns or an average of 1.87 fawns each. Counting embryos and examining ovaries, game men accounted for 15 females with at least one fawn and the other 20 with two fawns each.

The project will continue through about the middle of May, when does start dropping their fawns in fair numbers.

To Observe Golden Anniversary, May 20.

The children of Mr. and Mrs. Frank LaVack of 207 Alger Street, Grayling, will hold open house from 1:00 to 8:00 P. M. on Sunday, May 20 in honor of their parents' Golden Wedding Anniversary, which falls on May 15.

Pfc. Ronald Nelson and Pvt. Webb Cooper are both stationed at Percy Jones Hospital with the Medical Corps.

Valentine-Irons Wed At Berkley

Miss Illa Valentine, daughter of Mr. and Mrs. C. C. Smith of Atlanta, became the bride of James A. Irons, son of Mr. and Mrs. Frank Irons of Berkley, Mich., at a very pretty ceremony, Saturday evening at 8:30. The double ring ceremony was performed by the Rev. A. F. F. Betts at the First Methodist Church in Berkley.

Miss Valentine wore for her wedding a tan suit with pale blue accessories and a corsage of white roses.

Mrs. Betty Hilzinger, sister of the groom, was bridesmaid and wore a black and white checked suit with white accessories and a corsage of red roses. Mr. Phil Hilzinger, brother-in-law of the groom, acted as best man.

Mrs. Irons' is well known in Grayling as she attended school here graduating with the class of 1949. She is also the granddaughter of Mr. and Mrs. John Canfield, Sr., of Beaver Creek.

A pre-nuptial shower was given for the bride at Devon Gables, where she received many beautiful and useful gifts. A reception was given by the bridegroom's parents at their home in Berkley. After a honeymoon in Northern Michigan the happy couple will make their home in Royal Oak.

South Side School Notes

Friday afternoon, the first and second grades visited the new pet monkey that belongs to the Sam Gust family. His name is Penny because he was bought with pennies that the family saved. We watched him eat part of a banana, very politely, taking very tiny bites. We also enjoyed seeing him eat scratch grain, he would pick out his favorite seeds first. It was very funny to watch him play with his looking glass. He had a rope swing that he liked to play on to. We enjoyed our trip very much.

The mothers of the children who attend the South Side School are being honored with a tea given on Friday, May 11, at 2:15 P. M. There will be a short program given by the children.

Sportsman's Club News

The last week of April was the high week of this year in the number of forest fires and the acreage burned over; 36 fires were reported and 521 acres were burned. Maybe we should take a page from the history of Texas and instead of "Remember the Alamo" we should say, "Remember the A. Sable."

As you know the 1951 memberships are now due, why not bring in your own fee and bring along a few bucks for anyone else who can't possibly make the meeting of May 18th. The by-laws of your club state: The monthly meetings shall be held the third Wednesday of each month. Why not set that night aside and make the Sportsman's Club a must on your list of things to do.

Work is progressing rapidly on the new Recreational Area Map so that it will be ready by the time the tourist season starts.

The "Gray Bow Hunters" was host club to the North Michigan Field Archers Association Sunday, May 6th, in their first tournament of the year. It is to be followed by nine more with the next one being held at St. Helen, Michigan, on May 20. Plans are being made for a social evening every Wednesday night at which time the experienced archers of the group will be glad to aid and assist any new archer in shooting around the field course and helping him in anyway possible.

98 archers representing 14 clubs participated in the shoot. Add to these the ones who were out just as spectators and the crowd was in the neighborhood of 200.

Frank Scott was second in the men's class AA shoot and Allen Luckstead took the Junior Boys title as did Holly Piper in the Junior Girls. Jim Bond took third in the Junior Boys.

Many of the local sportsmen were amused with the article in all the state papers as to the trout fishermen not knowing the different kinds of trout they were catching. We are all sure that there was no one from this locality quizzed on the afore mentioned topic.

Remember the 18th of May. See you then.

Tommy Benware celebrated his fifth birthday last week by entertaining sixteen little boys and girls. Eight mothers enjoyed the afternoon, also. Games were played and to top off the afternoon events Tommy's mother served the youngsters a dainty lunch with a beautifully decorated cake with five dandles. Tommy received many fine gifts. Guests were at the party from Detroit and Gaylord.

Pfc. Ronald Nelson and Pvt. Webb Cooper are both stationed at Percy Jones Hospital with the Medical Corps.

Marriage Announced

Mr. and Mrs. Burton Williams announce the marriage of their daughter, Ernestine, to Frank Kline, son of Mr. and Mrs. Arthur Kline of Pontiac.

The marriage was solemnized in Bowling Green, Ohio on Saturday, April 21. The young couple are making their home in Pontiac, where they are both employed.

Andy Fox has been home for a few days due to injuries he received while unloading a load of pipe at Holly, Mich.

New Industry Action Planned

Following the appointment recently of a joint committee composed of membership from the Grayling City Council and the Grayling Chamber of Commerce and formed for the purpose of promoting Grayling as a location for a new industrial development, a meeting was held to map plans last Thursday evening.

Charles Piper, chairman of the committee called the meeting for the purpose of discussing the problem and to formulate a plan of action whereby knowledge could be gained as to industries that may be planning new plants or those looking for plant facilities.

The industrial committee will itself contact direct many logical prospects and makes a public request that any of the Avalanche readers in Grayling or those who read this paper in other cities and are familiar with Grayling and who have any suggestions as to firms that may be interested in operations in the Grayling area, make this information known to the Grayling Industrial Committee. Any such leads will be acted upon with the entire resources at the committee's disposal.

The problem of financing the program was discussed at the Thursday meeting and a necessary budget is to be drawn up and request for funds will be made upon the people.

A second meeting has been scheduled for the week of May 7th.

CITATION

Award of the Bronze Star Medal

Private First Class Elton L. Jehn, RA16320607, Artillery, United States Army, a member of Headquarters Battery, 24th Infantry Division Artillery, distinguished himself by meritorious service in Korea during the period 2 July 1950 to 2 November 1950. As Radio Operator in Headquarters Battery, his service was constantly marked with distinction. During the critical action in the early part of the campaign he performed his duties as radio operator for long periods of time without adequate rest or relief. Due to the critical shortage of personnel, he was frequently called upon to perform various other duties normally not expected of him. His willingness to accept responsibilities and his enthusiastic performance of all duty assignments aided materially in the successful completion of his unit's mission. Private Jehn's outstanding performance reflects great credit on himself and the United States Artillery. Entered the military service from Grayling, Michigan.

Mrs. Jacques Rabiouff of Great Neck, Long Island arrived Sunday to visit her cousins, the Harry and George Hortons of Frederic. Mrs. Rabiouff is in Michigan to spend some time with her husband, well known musical director who is on tour with the "Kiss Me Kate" show, which just finished a run in Detroit.

Mr. Rabiouff was born in Ukraine, now part of Soviet Russia on May 22, 1906. When he was 4 years old his parents moved to this country and settled in New York. His father was an accomplished amateur violinist and about the time the family moved to America Mr. Rabiouff started playing the violin. When about ten he began attending the Walter Damrosch school of music, now the Juilliard School. He continued his attendance there as well as public schools until he was 16 at which time he began playing in concerts and for dances.

A chap very much alive with oodles of personality, Jacques got a small part in a Broadway musical show. He played a musician. The show was the famous Jerrold Kert's "Sally" featuring the noted star Marilyn Miller. Miss Miller took a liking to Mr. Rabiouff. For her next big musical "Sunny" Miss Miller told Mr. Kern she wanted Mr. Rabiouff as her musical director. The great composer consented and young Rabiouff was in. He was then just 20 years old. In "Sunny" there was a pretty girl, Beatrice DeShaw. They fell in love and later were married. They are still happily married.

The Rabiouffs live in a seven room home in Great Neck, Long Island. Occasionally Mrs. Rabiouff travels with him. But most of the time she takes care of their sons, Sascha 16, who is studying to be a television director, and Roland, 16, who hopes to be a composer and arranger.

The present run of "Kiss Me Kate" ends June 2 and then this hard working musical director is going home to relax on his terrace.

Mr. and Mrs. Fred Bear and Mrs. Bertha Peterson spent the day in Traverse City.

Pfc. Ronald B. Nelson spent the week-end with his mother and family here. Mrs. Peg Nelson also visited relatives in Frederic.

Mrs. Charles Wilbur, Mrs. Peg Nelson and Miss Bettie Lou Barber were Frederic callers Friday.

Mrs. Peg Nelson and Mrs. Elroy Barber motored to Mt. Pleasant Monday afternoon of last week. Mrs. Barber then motored on to Illinois with Mr. Barber, where she is at this writing, and Andy Fox returned to Grayling with Mrs. Peg Nelson, due to his injuries received while at work.

Word has been received from Mr. and Mrs. Earl Johnston from Buffalo, N. Y., that Mrs. Johnston has had her operation and as soon as she is able to ride they will be coming home to open up their garage and gas station known as the Airport Service Station.

Kenneth Dale Allen, son of Mr. and Mrs. Kenneth Allen of Frederic is expected home soon. He is stationed at Great Lakes in Illinois in the U. S. Navy.

Mrs. Ed Wachowski of Gaylord called on Mrs. Peg Nelson last Wednesday evening.

Bill Ecklund is now employed in Grand Rapids. His family is still here in Grayling.

The Grayling Fire Department was called to the Angus McAuley home on Maple Street last Thursday, when an oil stove overheated. No damage was done, just smoke.

The W. Edward Myers are home after spending the winter in Coral Gables, Florida.

Pvt. Webb Cooper was home over the week end visiting his parents in Grayling.

O. D. Walbridge Passes On

Rites Read For Wilhelmina Plant

Final rites were read for Mrs. Wilhelmina W. Plant at the Sorenson Funeral Home Monday afternoon at 2 o'clock. Rev. R. C. Puffer officiated. Interment was in Elmwood Cemetery.

Mrs. Plant was born in Germany (close to Berlin) on June 10, 1858. Her maiden name was Witt. Her early training was in Germany, where she attended schools and also learned to be a dressmaker. She came to St. Louis, Mo., in 1882, where she married Mr. Plant on February 23, 1909. In 1913 they moved to Detroit and in 1924 to Grayling. They built a home on the present Albert Schreiber property, which has since been moved away. They operated a small chicken farm at that time. As they grew older they sold the chicken farm and went to live at a boarding home in Detroit. Unhappy there they returned to Grayling. They also owned a little home near the hatchery. Mr. Plant passed away July 12, 1941.

Mrs. Plant had been living at the Welens Boarding Home the past 3 1/2 years, where she passed away last Thursday, May 3. She had been in ill health the past year or so.

There are no known survivors.

Inflation Is Still With Us

The nation has been given a series of top-flight stories lately—including the Fulbright investigation of shennanigans in the RFC, the Kefauver investigation of big-time gambling with its resulting municipal corruption, the sentencing to death of two Americans who acted as A-bomb informants for the Russians, and the dismissal of General MacArthur and his dramatic return home to defend his position and policies. Such events as these naturally dominate the headlines. But, regardless of the big stories, the American people and their government must keep on dealing with the everyday problems of living in today's complex world.

Among these problems, inflation still holds a top place. Some people think the present controls are doing as well as can be expected, some think them almost a complete flop. But just about everyone must now realize that prices are not going to return to long-ago levels, that the probabilities are that they will continue to rise, and that the great American dollar isn't what she used to be.

Today's dollar, according to a U. S. News and World Report account, has lost two-thirds of its worth since 1900 and is still slipping. It has lost six cents of its value in the last year alone.

We have all felt the effect of this personally. The Wall Street Journal recently ran a series of feature stories, dealing with the current financial experiences of actual families in widely varying income brackets. The articles went into full detail as to how much money came in and how it was spent—food, rents and mortgages, clothing, recreation, etc. The incomes ranged from around \$50 a week for an industrial worker, to \$35,000 a year for an executive. In every case, the families were finding the sledding tough. None was saving anything to speak of, some were drawing on past savings, some were slipping deeper into debt. Their incomes had gone up over recent years—but higher living costs and heavier taxes more than offset this gain.

Who said you can't afford
a fine car?

WHEN you look at all a ROADMASTER has to
offer, it's only natural to conclude that
it's priced with the rest of the fine-car field.
Sweeping proudly past you, it has a distinction
that few cars can equal.

Stepping nimbly away from a stop light, it has
the willing surge of power that the very exclu-
sive combination of a 152-horsepower Fireball
engine and Dynaflo Drive* delivers.

It rides the road with majestic smoothness, and
comes to a smooth and gentle halt, in response
to the finest brakes Buick ever developed.

Inside, it has spacious room, from side to side
and front to back and seat to roof—plus a soft-
ness of cushions and a richness of fabrics which
bespeak the custom standards to which it is
painstakingly built.

*Yours at no extra cost on ROADMASTER.

All you could want in a fine car is here in
abundance.

But don't let that fool you into deciding "it's
too rich for me."

If you've looked into 1951 car prices generally,
you'll discover this:

You can own a ROADMASTER for just a shade
more than an ordinary car will cost—and for
several hundred dollars less than the price tags
usually found in "the fine-car field."

Why not look into this today?

Viking Tracksters Victorious In Two More Track Meets

Last week and the week before the Viking tracksters added two more track meets to their record as on April 26 they defeated Mancelona and Johannesburg by an 81-37-12 score and on May 1 turned back a strong Roscommon squad as well as Mio by 62½-50-12 count.

In the meet against Mancelona and Johannesburg, Grayling won both the 880 yard and the medley relay. Terry Hilton took the high hurdles in 18.7 seconds with Wilfred Laurent second. Duane Worden won the 100 yard dash in 11.3 seconds with Strawbridge of Mancelona taking the mile in 5 minutes 21.4 seconds with Ted Davenport second. Jim McClain won the 440 yard dash in 57.9 seconds. Laurent grabbed the low hurdles in 23.8 seconds with Hilton second. Worden also won the 220 yard dash in 25.4 seconds with Lee of Mancelona winning the half mile in 2 minutes 21 seconds with Elery Horning second. Bill Worden with a 35 foot, 9½ inch heave took the shot put with Duane Sloan second. Duane Worden also captured first in the pole vault with an 8 foot even leap with Goss and Larson of Grayling tying for second with Lee and Dalton of Mancelona. Jim McClain with a 15 foot, 9 and three-quarter inch jump took the broad with Laurent second. Hawks of Mancelona won the high jump at

4 foot 11 inches with Delbert Jolson of Grayling second.

In the May 1 meet Grayling won the 880 yard relay. Marvin of Roscommon took the high hurdles with Hilton second and Laurent third. Reed of Roscommon won the 100 yard dash in 11.7 seconds with Worden second. Davenport won the mile in 5 minutes 33.2 seconds with Johnson of Grayling taking second. Jim McClain won the 440 yard dash in 58.2 seconds with Becker of Roscommon second. Marvin also took the low hurdles with Laurent second. Reed took the 220 yard dash with Worden second. Horning came through to win the half mile in 2 minutes 23.6 seconds with Ross of Roscommon second. Smith of Mio won the shot put with a 39 foot 9 inch toss with Bill Worden placing second. Marvin won the pole vault at 8 foot 9 inches with Worden second and Laurent third. McClain took the broad jump with a 16 foot 10½ inch leap with Laurent second. Chapp of Roscommon won the high jump at 5 foot, 2 inches with Hilton and Larive of Roscommon tying for second.

The Vikings were to meet Mancelona, Kalkaska and Johannesburg in a quadrangular meet here Tuesday followed by the conference meet at Cadillac on May 12. The Regional Meet is set for Cadillac on May 19 with winners to go to East Lansing for the State High School Track Meet on May 26.

West-Branch Wedding Of Interest Here

A very pretty wedding was solemnized Saturday, April 28, at 9:30 a. m. in St. Joseph's church at West Branch, when Miss Joan Czerwinski of St. Helen and Mr. Lloyd Berry, Jr., of Grayling were united in marriage.

The bride is the daughter of Mr. and Mrs. Floyd Czerwinski of St. Helen and the groom is the son of Mr. and Mrs. Lloyd Berry, Sr., of Grayling.

The Rev. Fr. Miller sang the nuptial high mass in the presence of the immediate family and friends.

The bride, given in marriage by her father, wore a floor-length white nylon marquisette gown, a broader lace finger tip veil with beaded crown and carried a bouquet of red roses and white carnations.

Miss June O'Dell of Bay City was brides maid and wore a floor length gown of blue rayon marquisette and Mrs. Dolores Barber, sister of the bride, as matron of honor, wore a yellow rayon marquisette gown for her sister's wedding.

Both young ladies carried bouquets of yellow roses and white carnations.

The bride's mother chose a gray dress with blue accessories and the groom's mother chose a navy-blue dress and pink accessories for the wedding. They wore corsages of pink roses and white carnations.

The groom was attended by Donald Legg of Kingston and Alvin Kolka of Grayling was the usher.

Immediately following the ceremony, a breakfast was served to the wedding party at the Ogemaw Hills Hotel in West Branch.

A reception was held at 7 p. m. that evening at the Pioneer Hills Sports Park at Roscommon for 150 guests who showered lovely gifts on the happy couple.

The bride chose a gray suit with black and pink accessories for her going away costume. After a honeymoon trip to Niagara Falls, N. Y., the happy young newlyweds will live in Bay City, where the groom is employed as a mechanic for Ford Motors.

Guide To Fishing

By
JACK SCHWEIGERT
WSDW Roving Reporter

Not only in Michigan but in many other states they are asking, What is the Conservation Department Fish and Fisheries Division talking about when they say "Operation Rifle River?" If you are one who said, a waste of money, you had better visit this Rifle River Watershed Development.

The farmers are working with the Department, and as you know they are familiar with making things grow; and are the backbone of the nation. With their co-operation it is certain that more trout will be grown in this area. This project is for the interest of the public only. Not by a small group as the nearby More Trout, Inc., on the AuGres River, where the largest share holders could have the strongest voice. Who in their tolder state, they will fight the foolish expenditure of funds. It is not merely putting in a dam, it is a real project, deserving of all co-operation possible. Sometimes when you are around Rose City inspect it, you are welcome by the Conservation Department.

The best fishing time for this coming week will be from 4 to 8 P. M. the 9th to 11th. From 5 to 9 P. M. the 12th and 13th, and from the 14th to 16th the fishing should be fair all day with weather permitting. The hatches are Stone Flies and the best Dry Fly patterns the Stone and Adams. Ask Aid In Halting Fires

Your help is needed to stop forest, wood and grass fires. Every person in the State of Michigan has an interest and equity in the natural resources of the State. This means we are all part owners of the state owned lands, game, fish and wildlife that inhabit the fields and streams. As owners of this heritage we must use utmost care in protecting and preserving the conditions which will maintain a population of wildlife for our use and our children's use. Undoubtedly the control of forest and grass fires is the most vital factor in the preservation of our ownership in this natural resource.

Robert A. Thompson, Regional Forest Fire Technician, calls your attention to many other losses suffered by forest and grass fires:

1. Last year the pulp wood
- Block IV:
Jack pine \$10.00 per M bd. ft.
Aspen \$5.00 per M bd. ft.
Jack pine \$2.00 per cord
Aspen \$1.00 per cord
- Block V:
Jack pine \$9.00 per M bd. ft.
Jack pine \$1.50 per cord

For all peeled pulpwood the above stumpage prices will be increased 15%.

Cutting specifications: Block I—Cut all jack pine 9 inches and over in diameter at stump height. Block II & V—Cut all jack pine 8 inches and over in diameter at stump height. Block III—Cut all jack pine 8 inches and over in diameter at stump height. Block IV—Cut all aspen 6 inches and over, and all jack pine 8 inches and over in diameter at stump height. Stump height shall not exceed 12 inches or be less than 6 inches from the ground.

Slash must be lopped and scattered not to exceed 30 inches in depth and must be removed from within 50 feet of improved roads and 30 feet of fire lines.

The International Log Rule will be used to scale all sawlogs.

Operations under the permits issued as a result of this sale will terminate one year from date of sale.

The right to reject any and all bids is reserved.

For information relative to this sale contact Shirley Gowing, District Forester, AuSable State Forest, Grayling, Michigan.

DESERTE... SENTENCED
Opl. John Waller (right) is taken to a military prison after being sentenced for desertion from British army. He fled to the Soviet zone of Berlin, but gave himself up to British officials later.

burned by man-caused fires equalled that used by all the newspapers in the United States.

2. Last year man-caused fires burned enough saw timber to build eighty thousand five room houses.

3. Last year millions of acres were turned over to drought, dust, flood and erosion by man-caused fires. Watersheds gone, electric power gone, jobs gone.

4. Last year hundreds of farms, tons of grain, thousands of square miles of range were turned to ashes by man-caused fires.

5. Last year many beautiful recreation and wildlife areas, hunting, fishing, carving, vacation lands were destroyed by man-caused fires.

6. Last year homes were burned, people were injured and killed by man-caused forest and grass fires.

7. Next year may be worse, because sixty million people, millions more than ever before are expected to visit critical fire areas.

These statements are facts on which we cannot turn our back. Therefore, it behooves each and every person to do his or her part in preventing these man-caused losses. In truth, nine out of ten forest and grass fires are man-caused. Most of them the result of pure and simple carelessness.

You are required to use the utmost care with fire in all cases even in burning leaves or rubbish for your own protection as well as the preservation of your interest in natural resources of the State.

Nice Work Girls!

A meeting of High School girls was held at the home of Mrs. Emma VonMach, Commander of the Cancer Drive, on Thursday, April 26th for the purpose of planning a "Tag Day" to be held on Saturday, the 28th.

Miss Betsy Niederer as chairman planned the program with her helpers who were to stand at important corners.

The girls who kindly donated their time and effort were: Shirley Hoerl, Anita Crawford, Cora Ann LaGrow, Doris Horning, Dorothy Decker, Ethel Pratt, Louise Lutz, Anna Schreiber, Audrey Wolcott, Beatrice Quinn, LuEllen Watkins and Betty Denton.

Refreshments were served. Result of day's campaign \$33.33.

364 District Children Receive Clinic Aid

Dr. C. E. Merritt, director of the health department, serving the counties of Crawford, Kalamazoo, Missaukee, Roscommon and Wexford, reports that 364 children from the district received treatment at the Central Michigan Children's Clinic at Traverse City, which is operated by the Children's Fund of Michigan, and in addition, 25 children were referred to the Child Guidance Center there.

Under its Program for the Correction of Visual Defects, the Children's Fund provided glasses for 110 children in the area.

The Final Insult

If the American people have been in any doubt about the small and spiteful nature of Harry S. Truman, his appointment of "Deep Freeze" Harry Vaughan to meet Gen. MacArthur in Washington should clear it up. This is the final insult. Harry Vaughan, a coarse, vulgar, stupid, uncouth man, raised to prominence only through the favor of a Pendergast politician, a man who has been publicly exposed by the United States Senate as misusing his association with the President to aid influence peddlers, a man of no distinction, whatever except the dubious one of being a member of the White House "inner circle" of Missouri cronies, this man is chosen by the President to greet one of America's greatest war heroes, one of our most brilliant generals, one of our greatest military statesmen!

It is almost unthinkable that the President could sink so low! Has he no sense of decency and honor, no respect for the achievements of a man who has served the American people at great personal sacrifice and with tremendous personal courage? Apparently not. He is willing to demean the high office he holds, to dishonor his party to insult a man who, despite his differences with Mr. Truman, deserves every honor his country can bestow.

This is the lowest blow of political vindictiveness any President has ever struck at any individual, great or small. Mr. Truman has disgraced the presidency often enough by protecting and condoning corruption, even within his administration. But this is the crowning achievement of vicious spite in his entire career as a small bore politician.

Charlotte Sweet of Flint visited her mother, Mrs. Alice Holki in Frederic over the week end.

Gene Kaiser, Emerson Shaw and a friend from Flint enjoyed the week end in Frederic with relatives and friends.

Beatrice Dishau of Detroit came by Greyhound to Frederic Sunday. Beatrice attended the Frederic school some time ago, and has many friends which she is visiting.

The men's bowling teams all enjoyed a nice banquet at Spikes

in Grayling last week Tuesday night.

Don't forget the Moms meeting this Thursday at the Frederic Town Hall. Annual election of officers, a pot luck dinner and other items of interest.

Bert Damoth of Frederic visited his brother in Cass City Saturday.

Mickey's Shuffleboard team plays Hinkles girls team in a two game series Sunday night. Horse shoe won 4 and Hinkles lost 5. The previous game Hinkles won 8 and Horseshoe 1. Lots of fun.

Barstle Cross entered the Archery contest held at Grayling Sunday.

Business places report another good week end with lots of fishermen up, even though the weather was cooler.

John Turner and wife visited his brother over in the Thumb, over the week end.

Dick Short and wife from Marion spent the week end with their parents, Amil Kratochvils at Frederic.

Ray Smith and wife also their son and wife from Traverse City spent Sunday at the Fryer cabin in Frederic.

The Lances spent Wednesday in Gaylord on business.

Lefty Johnson made a trip to Cleveland to catch the boat for work. Well Lefty reached there O. K. but says the boss was out of town and he couldn't even find the boat so came home and is with

us again in Frederic.

Bernie Sajdak was home from Mt. Pleasant College over the week end assisting his father in the tavern.

The Kelsey brothers from Flint

are enjoying another fishing vacation at Frederic.

Carl Johnson and wife motored to Detroit Wednesday on a business, returning home the same day.

IMPORTANT

CHECK YOUR WINDSTORM POLICY

Unless you've increased your Windstorm Insurance lately — you should do so at once.

Each day we are confronted with increased costs and increased prices. Should your buildings be damaged or destroyed today it would cost more than ever before in the history of this country to replace them.

And — our low cost rate for **WINDSTORM INSURANCE**

Is the same rate to our members that it was Twenty Years ago.

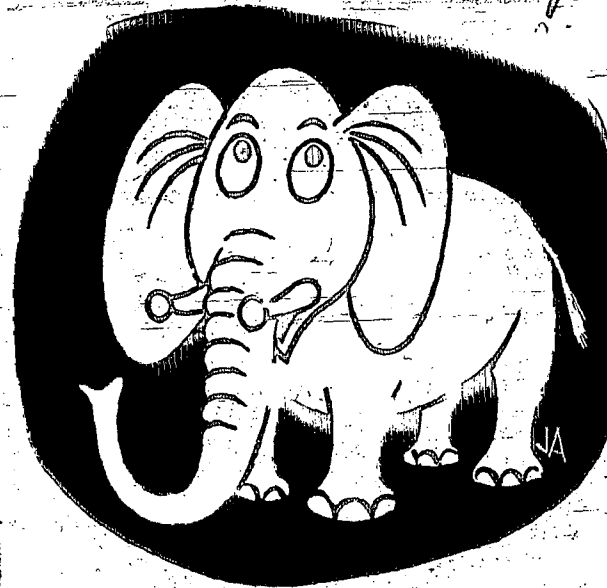

For Sound Windstorm Insurance Protection see your local Michigan Mutual Windstorm Insurance Co. agent.
